"The Pony Express"
August 2024

Member Spotlight:
Tom Hughes Shines at Briggs Car Show

We are thrilled to announce that our very own Tom Hughes brought home another winner at the Briggs Car Show in Hooks, Texas! The show, held on July 13th, took place at the Hooks High School field house parking lot.

This annual event is a highlight in the car show calendar, welcoming all makes and models, including cars, trucks, and motorcycles.

Out of over 90 vehicles on display, the competition was fierce, but Tom's outstanding entry earned a well-deserved spot in the top 25 winners. Congratulations, Tom, on this fantastic achievement!

The David Briggs Show is renowned for its vibrant atmosphere and community spirit. This year's event featured an exciting 50/50 drawing with a prize pool exceeding \$500, making one lucky attendee's day. The show consistently draws a large crowd and is beloved for its contribution to a good cause.

We are already looking forward to next year's show and more successes from our talented members. Keep up the great work, everyone!

We  Our Sponsors

From the President

Hello Mustang Family!!

The heat is on outside and on the calendar. Our show is rapidly approaching. I have received a few more sponsor checks to help with show expenses.

To draw participants, I have posted our show flyer on many sites. These include Car shows & Cruise Ins Texarkana & Beyond, Texarkana Outlaw Auto Club, Shreveport Street Cars, No Club Car Club, Friends of Blanchard, East Texas Car Scene, and Ark Ala Tex Car Show Info.

If you know of any other sites to post our flyer, please do so. My posts have sparked some interest already with a few promises to attend. This is your show, and we want to make it a success with a lot of cars.

We can still use goody bag stuffers , door prizes, auction articles , and volunteers for our show. We will have a sign-up sheet at the meeting. I'm looking forward to another great show ! Keep the shiny side up...Tom

And Sally Sits

By Secretary John Brewer

The sun comes up and the sun sets and Sally sits.

I spend a week at our annual family Christian retreat and Sally sits.

For several weeks she sat on a rack high in the air at the repair shop having her underside replaced and I sat at home.

Now another week will pass before I get back home. Someone came to pick up stuff from the garage while I was away. And Sally sits.

Maybe she will jump for joy when I finally get home. I'll spend a bunch of hours cleaning and fixing stuff under the hood. I may even get to fight some rust on the undercarriage. Sally you are loved.

There will be a short visit during an 18-hour turn around between my family retreat and the mission trip to Montana. Gonna get some dirt out of the interior to cure a demerit from the last MCA Show inspection.

By the way, that is not goo running out from under Sally. That is another dead-end project. So, for a week Sally will continue to sit.

I hope she'll start. I should have sent her flowers; I should have held her hand. I am just glad she's not riding with another man.

Not much longer. It will soon be over, but for a few more days Sally sits.

But come Aug first get out of the way. It's hood up and dust will be flying. Oh, listen to the vacuum roar!

From Rusty

it's about show time!!!

Get your rides shined up, put on some sunscreen and come on out to Rountree Ford on E Bert Kouns.

Volunteers are still needed to help out during our show. Parkers, runners, judges, giving out door prizes, etc.

We seem to have had a bit of a snafu with our food truck/trucks, but several board members jumped on the wagon for a solution.

Door prizes are still needed/appreciated. Bring your contributions to the August or September meetings.

Keep the Ponies on the Road!
Rusty
Vice President, Red River Mustang Club

A Bit of Cents

From the Treasurer & MCA Regional Director

The dog days of summer are upon us... cleaning cars this time of year is a sweaty chore!

Chris and I are off to the MCA National Show in Des Moines, Iowa next week! Since we medallioned the Saleen and sold it, we work classification and judge. Between he and I we have the largest classes of cars to get judged at the shows... so we are very busy at the national shows, but that certainly doesn't stop us from admiring the cars and reconnecting with fellow Mustang enthusiasts! If you haven't attended a national show, you owe it to yourself to attend one... or two!

Speaking of... the next national show (and last of 2024) is in Savannah, Georgia – it's still open for registration until 9/8! We're going for a few extra days to see the local sites... come join us!

[Mustangs in Historic Savannah National](#)

October 11, 2024 - October 13, 2024

Website - Mustangsinhistoricsavannah.com

Enough on national shows... OUR club's show is September 21st! It is our largest fund raiser of the year that enables us to be charitable as we go into the fall and winter season. The more successful our show is, the more we can contribute to the Shreveport/Bossier Mission and the Foodbank – these organizations, with our monetary help, can reach many more in need than we can alone!

I ask for your help and support in spreading the word about our show; through word of mouth, hanging flyers, sharing on your social media pages, etc. Additionally, your help is needed on show day! We need US (yes, us club members) to help set up in the morning of the show, park participants, register participants, sell 50/50 tickets, donate and run silent auctions, help participants with questions throughout the day and to help clean up at the end of day!!!!

Tina

RRCMC Treasurer
MCA Regional Director

Kelly's Blog

Hey Everyone,

Exciting news! Our annual Mustang Show is just a month away, and we can't wait to see all of you there. But, as the countdown begins, we still need a few things to make this event as spectacular as possible.

Goodie Bags and Door Prizes: We need some fantastic items to stuff our goodie bags and to offer as door prizes. If you have any connections or ideas, please reach out and help us fill those bags with treats and surprises that will delight our attendees.

Food Vendors: Our show wouldn't be complete without some delicious food to fuel the fun. We are still on the lookout for food vendors to join us. If you know any local food trucks or caterers who might be interested, please send them our way.

Volunteers: To ensure everything runs smoothly, we need volunteers to assist with various show activities. Whether you can help with setup, registration, or general coordination, your time and effort will be greatly appreciated. Let us know if you're available so we can assign you a spot where you're most needed.

Monthly Meeting and Cruise: Don't forget, after our monthly meeting, we'll be cruising over to TaMolly's for dinner, the club's favorite spot. It's a great opportunity to socialize and discuss final preparations for the show while enjoying some delicious food.

We're excited for another fantastic show and can't wait to see everyone there. Your support and participation are what make these events successful and memorable.

Kelly, aka Ducky
Show/Activities Director

Points to Ponder

Hey Everyone,

Our friends at the Food Bank are in need of help.

The Food Bank of Northwest Louisiana needs YOU to come help us pack boxes this summer! There are daily opportunities Monday through Friday, 9:00 – 11:00 a.m. and 1:30 – 3:30 p.m.

They are now distributors of this region's portion of the statewide Commodity Supplemental Food Program, or "CSFP" food boxes, which means we need volunteer assistance on a daily basis to pack these boxes.

Individuals are welcome to sign up for as many of the opportunities as possible; if you work for a company that would like to schedule a date for team members, call Gene at 318-675-2400, ext. 115.

You don't need to call Gene, go to [Sign up Genius](#) to sign up. Just create an account using your email address. If you can't find the sign up use the search function and enter this email address ghaynes@foodbanknla.org. You'll be taken to the Food Banks signup page, August food Box Packing is open.

I've been going on Wednesday and spend all day helping out. This program has to distribute over 6,000 boxes of food per month. So if you have a couple hours to help out, pleas

Chris
