FROM THE PRESIDENT'S DESK

I hope everyone had a wonderful Christmas and a happy New Year. I hope everyone scored big for Christmas, but most importantly, that everyone got to spend plenty of time catching up with family. I don't know about anyone else, but I seem to be so busy during the year with work, and really life in general, not getting to see much of family. The Holidays are usually the best time for everyone to get together and catch up with relatives, in-laws, and long lost family members from out of town. I am fortunate to get along with all my family especially with the in-laws, and actually look forward to seeing everyone for the Holidays. After all, that is what Christmas is really about-- Family.

After ringing in the New Year, I want to say congratulations to all our Board Members, through unanimous landslide victories, all won their seats on the board of directors for another year. It seems we have all been doing such a bang up job, our club members have no complaints, and therefore no one to run against any of the board members for their positions. So, it will continue to be business as usual. However, we always welcome new ideas that benefit the club, so if you have anything you want to share, or wish to see how we conduct business; all board meetings are open to club members. They are always on the 3rd Wednesday of the month. Feel free to email us or let a board member know of any ideas you may have.

Kicking off 2016 is World of Wheels, which is happening on the 3rd weekend of February

this year. We have already passed around the sign-up sheet for working shifts at the December meeting, so if you have not signed up yet, we will be passing the sheet around again this month, and in the February meeting. The World of Wheels show is a big money maker for our economy, so please come out and help us with the show. In return for your efforts, our club gets a donation for our charities of one thousand dollars, which is a pretty good deal for a weekend of service. If everyone signs up for at least one shift, we should be covered. And don't forget, for each shift you work, you will earn participation points. Also, you will be able to enjoy the World of Wheels show for free after you complete your shift. Another great perk of helping out with the show.

Lastly, our annual Bylaw review will also be happening in the first quarter of 2015. If you have any changes you would like to submit to the board for review, please submit them in writing to any board member by January 16th.
